

GAS FIELD LABORER – COUDERSPORT, PA

National Fuel currently has employment opportunities at its Field Operation in Coudersport, PA.

A Gas Field Laborer is responsible for performing many varied gas field activities including installation, repairs and maintenance of gas well equipment and pipeline systems, keep all necessary operating records, and submit reports. Candidate will also be responsible for pumping and gauging wells, changing charts, reading meters, and patrolling and mowing lines and well locations. Candidates will be required to operate and make minor repairs to light rubbered tired equipment, pumping units, compressor units and other related equipment. Seasonal shift work is required, including weekends and holidays.

Candidates must possess a high school diploma or equivalent and a valid driver's license. Prior experience in the above-mentioned responsibilities, as well as, knowledge of pumps, gauges, pneumatics, and hydraulics is preferred. The physical capability to work outdoors in all types of weather and the ability to work in and around hazards and difficult to reach areas is also required. Candidates must demonstrate good communication skills.

National Fuel offers a competitive wage and benefits package.

Candidates must live within a 20 mile radius or 30 minute commute to the Hebron Field Office located at 896 State Route 44 North, Coudersport, PA 16915 or be willing to relocate.

Candidates responding to this ad must refer to the job title, Gas Field Laborer, Position #10-004PA, in their correspondence. For confidential consideration, please mail your resume and cover letter by March 15, 2010 to:
