

SUMMER 2010 ACCOUNTING INTERN – WILLIAMSVILLE, NY

National Fuel Gas Company (NYSE: NFG) is a diversified energy company with corporate headquarters in Williamsville (Buffalo), New York. The Company's assets are distributed among four business segments: Exploration and Production, Utility, Pipeline and Storage and Energy Marketing. National Fuel's history dates to the earliest days of the natural gas and oil industry in the United States and the Company has been responsible for many industry firsts.

National Fuel is currently seeking to fill an internship position in the Corporate Accounting department for the Summer 2010 semester. The successful candidate would be responsible for supporting the accounting responsibilities of the various subsidiaries of National Fuel Gas Company. Projects would include assisting in the preparation and recording of various journal entries in anticipation for the month end general ledger closing. The successful intern will also participate in the preparation and analysis of the consolidated financial statements and footnotes for the Company's quarterly earnings release and 10-Q filing with the Securities and Exchange Commission. Additional duties will include the preparation of various regulatory reports filed with state and federal regulatory commissions.

Qualifications:

- MBA student or Jr./Sr. undergraduate student with an Accounting concentration
- Completion of two semesters of Intermediate Accounting
- Thorough knowledge of accounting practices and principles
- Strong interpersonal and communication skills
- Excellent analytical ability
- Computer proficiency
- Minimum GPA of 3.0
