SYSTEM ALERT - PENNSYLVANIA DIVISION
Effective 1/31/2011
Posting date 1/28/2011

The following is a Cold Weather System Alert for National Fuel Gas Distribution Corporation ("Distribution" or "Company") - Pennsylvania service territories effective from 10:00 A.M. ET Monday, 1/31/2011 until Wednesday, February 2, 2011 at 10:00 A.M. ET. Due to anticipated cold weather conditions and the anticipated increase in demand, Distribution is requesting that all Market Pool Operators make every attempt to match deliveries to their posted Daily Delivery Quantities (DDQ's). Suppliers who schedule and deliver quantities to match DDQ's may help to prevent a critical situation that could require the Company to issue an OFO.

Distribution will continue to provide periodic updates to the operational status of the system as warranted.
