SYSTEM ALERT – PENNSYLVANIA DIVISION
Effective 12/27/2018
Posting date 12/26/2018

The following is a System Alert for the National Fuel Gas Distribution Corporation ("Distribution" or "Company") – Pennsylvania service territory effective from 10:00 a.m. EST Thursday, December 27, 2018 until further notice. Due to anticipated warm weather conditions and the anticipated decrease in demand, Distribution is requesting that all Market Pool Operators make every attempt to match deliveries to their posted Daily Delivery Quantities (DDQs). Suppliers who schedule and deliver quantities to match DDQs may help to prevent a critical situation that could require the Company to issue an OFO.

Distribution will continue to provide periodic updates to the operational status of the system as warranted.
